

STAY (Students Teaching Adolescent Youth) at SPLHS

Leader: Allison Parkhurst

STAY provides our students the opportunity to plan, create, and teach a lesson to students at the local Lutheran grade school once a month. It allows our students to get a hands-on teaching experience and the opportunity to interact with students of all ages (3-year old pre-school through 8th grade).

Dates for STAY 2017-2018 school year:
