

SERVANTS OF THE SAINTS VOLUNTEER FORM

Hello,

A school like ours cannot function at its highest level without the dedicated efforts of countless relatives and friends who volunteer to take on tasks that directly benefit the school and students. Listed below are areas that have been served in the past.

Please consider marking those areas you would like to help with, or add your own idea(s) of ways you would like to offer your assistance. God's blessings and thank you for your time!
