

National Honor Society

Leader: Rebecca Nelson

Being apart of National Honor Society (NHS) is a great accomplishment. In order to be nominated for NHS, students must have:

- 3.25 cumulative GPA or higher
- 2nd semester sophomore or older
- Attend Saint Paul for at least 1 semester

Nominees turn in an application and then are evaluated by NHS members and faculty. Applications and evaluations are turned in to the faculty selection committee who make the decision on inductees based on the qualities of leadership, character, and service.

NHS sponsors a number of events throughout the year:

- Tutoring on Sunday evenings
- 2 blood drives each school year
- Campus decorating for Christmas
- Various community service projects
- Courtwarming
