

SPONSOR A STUDENT

Alexandra Ivanka pri Dunaji, Slovakia

Alexandra is 17 years old and in her first year at Saint Paul Lutheran High School in Concordia, MO. In Slovakia, she lives with her parents, younger sister, and cat. She enjoys skiing, hiking, being around friend and family, and listening to music.

Why does Alexandra want to be at Saint Paul?

"The first reason I want to come back is because Saint Paul provides an amazing way to grow in faith. Saint Paul showed me many views on Christian life and faith. I don't have to be ashamed of being Christian and I feel free to talk about God anytime. The Christian environment helped me to open up ways for myself in many opportunities that I don't have in Slovakia to help me grow in faith.

The second reason is the community. Saint Paul is my second family. The teachers are there for us anytime we need their help. Teachers are a big support for the students. They care about your grades, they are interested in your personal life, and most importantly, they respect their students.

Saint Paul is known for being an international school. There are students from all over the world and we built together an amazing community of friends that feel more like a family. Coming back to Saint Paul would mean a lot to me because I want to continue to strengthen my faith and relationship with God."

How can I help students like Alexandra?

Online at splhs.org/giving-projects for Tuition Assistance
Mail a check to: Saint Paul Lutheran High, PO Box 719, Concordia, MO 64020
and put Tuition Assistance in the memo line.
