

Dear Parent,

The time has come to start the preparation and planning for the next school year. You and your student are getting ready to be a part of the Saints family, a Christian environment that prepares leaders to declare Christ.

Please read each medical form carefully and make sure that all information is complete and accurate. These forms will be kept on file at Saint Paul.

- These forms **MUST** be completed each year.
- These medical forms are designed to help medical personnel and/or school personnel in assisting your student in the most efficient way possible in an emergency.
- These medical forms will also be used when your child needs to be seen by a local physician.

Signatures by both parents and/or legal guardian are needed throughout these forms. We realize that for those parents of returning students this process is redundant, however it is necessary for families to review this information for accuracy and changes as well as to make us aware of any new developments.

Saint Paul Lutheran High School uses the services of the following local physicians.

Western Missouri Family Health Care – Concordia Office – Dr. Sarah Kirchhoff, MD; Megan Stutheit, FNP-BC (660-463-7966)

Live Well Community Health Center – Concordia - (660-463-0234)

Hospitals:

Western Missouri Medical Center, Warrensburg, MO (660-747-2500)

Lafayette Regional Hospital, Lexington, MO (660-259-2203)

Fitzgibbon Hospital, Marshall, MO (660-886-7431)

God's Blessings!

Director of Health Services
