

Student Government Leader: Rebecca Nelson

Student Government allows students to develop their leadership skills by being apart of and helping put on activities on campus for the students.

Elections are held in the spring for Student Government officers (President, Vice President, and Secretary) and committee leaders (Athletic Life, Dining Hall, International Life, Social Life, SOS, and Spiritual Life). Each class (freshman, sophomore, junior, senior) also elects a representative for each committee, and the class Vice President attends Student Government meetings as well, to represent their class.

Student Government sponsors a number of events throughout the year:

- New Student Orientation
- Back to School Dance
- Homecoming Week (activities and dance)
- Thanksmas (activities and dance)
- Teacher Appreciation
- Dodgeball Tournament
