

Military Service Academy Information Day

Has your son or daughter ever thought about serving our country?

What about possibly making a career in our military?

Have they expressed interest in attending one of our prestigious U.S. Service Academies?

If any of these questions apply to you, I'm hosting an in-person event that you might find helpful. Students, family, and school educators and administrators are all welcome to attend my Military Service Academy Information Day.

The application and selection process to attend a U.S. Service Academy is very competitive and requires students to be meticulous. This event presents the perfect opportunity for you and your children to gain the knowledge and expertise needed to [submit a quality application](#) for consideration to receive a nomination from me and ultimately an appointment to one of our U.S. Service Academies.

This free, public event will take place on Thursday, April 7th from 6:00pm to 8:00pm at the Mills Center in Lebanon, Missouri (650 Mills Drive; Lebanon, MO 65536). As a part of the information day, middle and high school students and their families will have the opportunity to visit with me and hear from representatives of the following service academies:

- U.S. Military Academy at West Point
- U.S. Naval Academy
- U.S. Air Force Academy
- U.S. Merchant Marine Academy
- U.S. Coast Guard Academy
- University ROTC programs
- Representatives from U.S. Senate offices

While RSVPs are not required, they are appreciated. Feel free to let us know if you'll be attending by following [this link](#). I am looking forward to meeting with interested students and their families during this exciting event.
