

# JULY 5-JULY 7

# SPANISH CAMP & HISPANIC COOKING

**Come learn basic Spanish in an interactive way!**

This year we are offering two separate opportunities to engage in Spanish language learning. We will offer Spanish Camp with arts & crafts, sports, games and other activities for children entering kindergarten - 8th grade.

We will be adding an option for older students, children entering 4th - 8th grade, to join us as we cook foods from various Spanish-speaking countries. We will prepare the food together and eat, while learning about the countries and their culture.

For families sending more than one child to camp, please pay \$30 for the first child and \$25 for each additional child from the same household for Spanish Camp. For Cooking Camp, please pay \$35 for the first child and \$30 for each additional child from the same household.
