

March 16, 2020

Saint Paul Lutheran High School Families:

Saint Paul Lutheran High School is committed to the health and safety of students. As this situation is rapidly changing, our administration has made the decision to take Monday, March 16th to prepare for distance learning. Classes will be suspended at the end of today for the rest of the week. Distance learning will begin Monday, March 23. Day students will be home and are to stay off campus, as campus will be a closed campus. Dorm students may stay in the dorm and on campus activities will be planned for those who remain.

Dorm students may leave to return home at any time. We ask that the parents of these students be in communication with the administration. We will care for all dorm students that remain in the dorms. Once dorm students return home, we ask that they remain home until further notice. At this time local homestays will not be allowed.

Please be assured that we will continue to share updated information with our SPLHS family going forward. We ask that all students check their splhs.org email account on a daily basis. Thank you for your help in keeping our community healthy.

Sincerely,

Rev. Paul M. Mehl
Executive Director

Meredith Marsh
Principal
