

SAINT PAUL

Lutheran High School

205 S. Main, Concordia, MO 64020-0719

March 18, 2020

Saint Paul Students and Families,

On Monday, March 23rd materials for each class will be available. Students should check email and Blackbaud daily. Each teacher will set timelines and expectations for their courses. Students should read materials thoroughly to ensure they understand the expectations for each course. If students cannot access Blackbaud, they will need to contact their teacher immediately to share these concerns. We will work to meet the needs of each student, but students need to complete expected work to receive credit. We have confidence that students will exhibit Christian maturity as they complete their course work and cooperate with their instructors and administrators.

Teachers will be monitoring Blackbaud and email to track the activity and work of each student. We will reach out to students that have been inactive for extended periods of time to ensure that they are still receiving information and are able to complete class work.

As this situation continues to evolve, we know that we will need to make changes to meet the needs of both our students and our teachers. We will continue to keep each of you in our prayers as we adjust to a new school routine.

Once again, we stress the importance of students communicating with their instructor if they do not understand the expectations or if they have technology limitations.

Blessings,

Meredith Marsh
Principal
Saint Paul Lutheran High School
