Resource Committees

Christkindle Market Report- Kent Kunkle and card from Dr. Marsh. Julie Bonar read a thank you card to the SOS from Dr. Marsh thanking the SOS for all the support of the Christkindle Market in December. Kent Kunkel also exhibited his appreciation for SOS support and the plans for a bigger better event for 2021 with the possibility of doubling the vendors and entertainment.

Cookie reception for Singing Saints Christmas Concert- Julie Bonar volunteered to oversee this event in December. However, she reported in January the reception had been cancelled therefore making cookies unnecessary.

Touch of Home- Rita Fiene-Bakers always needed for b-day cakes. Please contact the school office to be added to the baking list.

Gatekeepers-Julie Bonar stated to please stay tuned to textcaster and the Facebook page for volunteer opportunities for Basketball games and upcoming events.

Saints Store-Jennifer Isdell reported the store is stocked and ready to be open as much as possible for upcoming home events. World shirts this year will be made available for on-line ordering as to limit overstock from shirts not being sold. Please stay tuned for details on world shirts online sale event.

Rummage Sale report-Rita Fiene reported collections have been good. Last drop date for spring sale is Jan. 25. Tentative sale dates for spring rummage sale are March 17-20 with set up dates of Mar. 6-7, or April 21-28 with set up dates of April 10-11. Meeting attendees though the March date seemed more appropriate. More to follow once date is finalized. Sorting volunteers always needed. Please contact Rita to volunteer and set up a time to help.

Chili/Soup for Court warming-Jennifer McCaslin reported the chili/soup dinner is still planned for court warming in the annex. Questions were posed as to if students will be fed at dining hall that evening or be expected to eat chili/soup as last year supplies quickly dwindled as many students came to eat the chili/soup because there was no evening meal. Safety- Covid/mask protocols were also discussed. Most in attendance thought it best for dining hall to hold a meal for students as to limit the rush during the chili/soup supper and to aid in proper safety and social distancing measures.

Old Business-

Wish List-Julie Bonar stated the Steam kettle funds have been appropriated and Mr. Brandt is working to get the kettle purchased and installed.

Holiday Meals-Meals were covered and went well. The Koonce family and their girl guests provided meals for the boy's dorm during the Christmas break. Melissa reported the boys liked them and were much appreciative. Attendees thanked the Koonce family and their guests for taking care of the boys.

New Business-

What to do with the left-over Brats from Christkindle Market. The board discussed the left-over brats, buns, and Saints Store items. The board discussed holding a drive through brat lunch/ dinner closer to the end of school year as not to complete with other fund-raising meals. A date will be set at an upcoming meeting.
