College you plan to attend \_\_\_\_\_

Intended major and/or grade level emphasis \_\_\_\_\_

Please attach resume showing high school activities, honors and awards, community service and work experience. Return completed applications to the high school counselor by May 1.

Please write a paragraph describing your “dream job” in your preferred career field. A more detailed description will indicate you have given it more thought and have a greater understanding of the area you are planning to enter. Use an additional sheet if you wish.

Please write another paragraph identifying the factors that influenced you to choose your career field and the particular area you have indicated. Perhaps there was a teacher or another person who influenced you. Perhaps there were experiences you have had that helped you make your decision. What makes you think your career is for you? Again, you may use another sheet if you wish.

Turn into Mrs. Marsh by Friday, April 30<sup>th</sup>
